It's Gambit's Jaguar XJS from the TV series, "The New Avengers." Now John Steed is aided by the beautiful Purdey and the cunning Mike Gambit. Together, this trio sets out to foil crime, international espionage and villains in general. In their un-orthodox way, The New Avengers always succeed. Tune in "The New Avengers," starring Patrick MacNee as John Steed; Joanna Lumley as Purdey; and Gareth Hunt as Mike Gambit, as they tour the English countryside, keeping crime in check.
